King's Wharf, Bermuda

King's Wharf, Bermuda's third port after Hamilton and St. George's, is often referred to as the "West End" or the "Royal Naval Dockyard". Built for the British Navy between 1814 and 1863 as a base to launch a raid on Washington, D.C. by thousands of convicts from prison ships, it was once dubbed "Gibraltar of the West". The Georgian-style fort later served as a North Atlantic base during both World Wars, and was finally abandoned in 1951.

Today, King's Wharf offers an endless array of activities for all ages, be it culture, water sports, dining, shopping or simply relaxing at the beach. Highlights include the Bermuda Maritime Museum, the Arts Center and the Bermuda Craft Market. In addition, visitors can enjoy world-class golf courses, parasailing, scuba diving, swimming with the dolphins and also trekking nearly 200 steps to the top of a historic lighthouse.

Getting around Bermuda is easy. Its eight largest islands, connected by causeways and bridges, measure just 22 miles in length and barely two miles across as the widest point. This is why visitors can travel from one end to the other in about an hour and from north to south in less than 15 minutes.

Contrary to popular belief, Bermuda is not in the Caribbean! Consisting of 120-plus islands, Bermuda lies in the Atlantic - with the nearest land being Cape Hatteras, North Carolina, some 570 miles away. New York is 774 miles from Bermuda and London is 3,497 miles away.

Some of the world's best beaches line Bermuda's south shore: Horseshoe Bay, Warwick Long Bay, Longtail Cliffs, Jobson's Cove and Elbow Beach are a few of the most beautiful, popular, clean, safe, and accessible.

Shore Excursions

Make the most of your time in Bermuda. May we suggest:

- Bermuda Triangle Nightlife Glassbottom Cruise: Try this fully narrated evening cruise into the notorious Bermuda Triangle. Enjoy illuminated glass bottom views of various marine life and a shipwreck at night.
- Hamilton Shopping & Sighseeing: If shopping, history, or sightseeing is what you are after, this cruise has it all.

Visit the Shore Excursions Desk, Deck 3 to make your booking.

Information

Gangway

The gangway will be open 24 hours a day. Parents or guardians must not permit any guest in their care under the age of 18 to leave the ship in any port without responsible adult supervision (over 21).

Bermuda – Transportation & Helpful Information

There are a number of locally run transport options to get out and about around Bermuda. It is recommended that you choose the option that suits you best if you do not have an organized excursion to enjoy the island at your own pace. The schedules include departure times and options regarding destinations within Bermuda. For additional information, please tune in to a televised presentation regarding transport and shopping options on channel 18 of your in stateroom televisions.

- By Taxi, which can be rented by the hour. Please bear in mind traffic can be busy during 4:00pm–6:00pm so give yourselves plenty of time to get back to the ship.
- By Ferry, which run to and from the dockyard (King's Wharf).
- By Bus, the central bus runs from The Dockyard (King's Wharf) to the terminal in Hamilton, on Church St. All bus routes serving Hamilton arrive and depart from this terminal. (The public buses are not wheelchair accessible).

Smoking was banned in all enclosed public spaces in April 2011. A six-month grace period, which means no fines during that time, ends October 1. The law applies to all workplaces such as pubs, cinemas, offices and factories. Smoking on open-air balconies and patios is still allowed.
